**VCC Makes First Add-on Acquisition**  
*Acquires certain assets of Lighting Concepts & Solutions*

**LOS ANGELES, Calif. (April 24, 2012)** – Wedbush Capital Partners and CloudBreak Capital today announced the first add-on acquisition by platform company VCC Optoelectronics, Inc. VCC acquired certain assets of Coral Springs, Florida-based Lighting Concepts & Solutions (“LCS”), including the Leecraft® and Littelites™ product lines and related patents and intellectual property. With this acquisition, VCC is now one of the largest and fastest growing pure-play lighting indication businesses in the United States.

“Leecraft® and Littelites™ products have tremendous brand equity and are a terrific addition to VCC’s product offerings,” noted Andy Zanelli, CEO of VCC. “We look forward to growing and expanding our relationships with our new customers and vendors.”

“This acquisition is another key step towards VCC’s goal of rapid acquisitive and organic growth,” said Peter Shoemaker, managing director of Wedbush Capital Partners. “Andy Zanelli and his team are doing an excellent job of integrating the two companies, and we are actively looking to make more acquisitions for VCC.”

**About VCC Optoelectronics**

VCC Optoelectronics, based in Poway, California, is a pioneer in the development and delivery of today’s most high-performance and innovative LED panel indication and illumination solutions. With nearly 40 years of experience, VCC and its distributors serve customers all over the world. Whether by providing an off-the-shelf product or developing a solution through its custom design services, VCC delivers faster and at a lower cost than the competition. VCC—it lights up your design.
