Wedbush Capital Partners Sells Portfolio Company CriterionBrock

LOS ANGELES, Calif. (March 3, 2017) – Wedbush Capital Partners (“Wedbush Capital”) announced the sale of portfolio company CriterionBrock to Interior Logic Group, (“ILG”), a portfolio company of Platinum Equity. CriterionBrock, headquartered in Portland, Oregon, is one of the nation's largest flooring services providers to the multi-housing industry.

“We are pleased with a successful exit,” said Geoff Bland, managing director of Wedbush Capital. “CriterionBrock is a fine example of our “buy-and-build” investment philosophy. We worked very closely with the company's original founders to acquire and integrate three complementary acquisitions, helped to build out the company's geographic presence and invested to help accelerate sales and earnings growth during the Great Recession. We expect that ILG and Platinum Equity will continue to support CriterionBrock’s goal of becoming the nation’s largest flooring services provider to the multi-housing industry.”
